

Muttireddy Vijay

Vardhana Raju

UI/UX DESIGNER

OBJECTIVE

To obtain a challenging UI/UX Designer position where my creativity, problem-solving skills, and experience in designing engaging and user-friendly interfaces can be utilized to enhance user experiences and drive business objectives.

EXPERIENCE

INTERN UI/UX DESIGNER, ENUT TECHNOLOGIES PVT LTD, HY, IND.

Feb 2024 - Jul 202024

- Led the design and development of user interfaces for website -based products and applications, ensuring a seamless and intuitive user experience across multiple devices and platforms.
- Worked closely with front-end developers to ensure accurate implementation of design specifications, providing ongoing support and clarifications during the development process.
- Kept abreast of industry trends and emerging IoT and user interface design technologies, incorporating innovative approaches into design solutions.
- Actively participated in design critiques, presenting and defending design concepts, and providing constructive feedback to fellow designers.
- Conducted user research and usability testing to understand user needs and behaviors in the context of IoT environments.
